Welcome to a New Year

Welcome to 2012. I hope it finds you uninjured and ready to tackle the exciting year's racing that awaits us. The weather has perhaps not been great yet, but as soon as all kids are back at school this will improve (if previous years are anything to go by).

We continue to move forward with the new track. This is a huge task with many hours being put in by a small number of volunteers. These people are working really hard to ensure that once the track is finished it is something we can all be extremely proud of.

It's hoped that the track will be ready to run at least some of our club champs rounds at the new track which will be rather exciting.

The costs of building the new track continue to be carefully monitored, and fundraising pursued. As I write this, Kieran Bryant and Bill McCulloch (two of the Club's junior riders) are holding a training day for mini and junior riders with all proceeds going towards the new track build. Thanks also to the Andersons for the use of their track for this training, and for James for assisting Bill at the last minute when Bill broke his arm the day before!

If you have a fundraising idea that you would like to put forward please let us know – because committee are already fully committed time-wise to the track rebuild, it would need to be an idea that needs little or no time effort from the committee members.

2011 Mini Motocross Champs - Ikamatua

Congratulations to all the Club's mini motocross riders (and supporters) who made the trip down to the West Coast for the Mini MX Champs late last year.

Special congratulations must go to Carl Woodman-Smith (2nd in the 50cc Intro class), and Riley Campbell (3rd in the 9-11yr 65cc class).

Hopefully in the next newsletter we will have a photo from the event, along with Riley's 'report' of how the weekend went (hint hint Riley!)

Club Day – 12 February

Our first Club Day for the year will be a flat track TT. This will be held at Wall Road, Foxton (the same place we had our Christmas fun day).

Signon will be 8:30am – 9am

Food & Drink will be available for purchase at the event.

Please check the website/infoline

Subs

Subs are due at the end of February.

We will have 2012/13 membership forms at the February Club Day and on the website in February for you to renew your membership in plenty of time before our first round of Club Champs in March.

Woodville GP

Good luck to all club members entered in the upcoming Woodville GP. It is always an exciting weekend, so even if you aren't racing, go along and watch/support your friends!
